

THE BUILDING COMPLEX AREA

The Design

Carefully devised with the utmost originality, the new gated residence is beautifully composed of three striking villas and an enchanting building all designed to resonate a theme of elegance, comfort and aspiration through one development, “Ranalda”.

“Ranalda”, is cautiously composed to make sure that harmony, spaciousness, impeccable quality, and exceptional design are not just factors of design, but also factors of peace-creation in the making.

Sustainability

With a keen consideration towards valued sustainability, Ranalda maintains an energy efficient relation with the ecosystem through harvesting local energy sources.
